Dear Parents and Jeffco sports fans:

Welcome to Jefferson College Athletics.

The Jefferson College Athletics department will offer either a sport specific or an all-inclusive sports pass to our regular season home games. Each pass will allow you to bring up to any 3 additional guests.

When you purchase either of the passes you will have the opportunity to designate which team(s) account you would like the fee credited to. All proceeds will stay in the athletic department for use by the team(s) or the athletic department to help cover season costs.

A Sport Specific Pass is \$30.00 per pass (allows the bearer of the pass to bring 3 additional guests)

An All Inclusive Pass is \$120.00 per pass (allows the bearer of the pass to bring 3 additional guests)

Enclosed you will find a form and a business reply return envelope.
